Department: Human Resource Management
Subject: Background Check Policy for Chesterfield County
Parks and Recreation Co-Sponsored Youth
Organizations

Policy Number: 6-24
Supersedes: 09/01/01
Date Issued: 01/01/03

I. PURPOSE

The purpose of this policy is to require background checks on all organizational officers and/or directors, instructors, coaches and assistant coaches of Chesterfield County Parks and Recreation co-sponsored youth organizations in order to preserve the safety and well-being of children served by such organizations. Co-sponsored organizations shall not permit individuals to work with children if they have demonstrated past conduct incompatible with service to or care of children.

II. IMPLEMENTATION

- A. The County's Parks and Recreation Department shall assist co-sponsored organizations in implementing and administering this policy. The County may revoke a co-sponsorship agreement for any organization that violates this policy.
- B. Each co-sponsored organization shall be responsible for submitting a completed Release form (See ATTACHMENT I) to the County for every organizational officer and/or director, instructor, coach or assistant coach. Failure to complete the release shall disqualify the individual from participation. All individuals must provide truthful, correct and complete information on the release. Failure to do so may result in disqualification.
- C. The County's Human Resource Management Department ("HRM") shall process each release received from a co-sponsored organization in order to receive information from the Central Criminal Record Exchange ("CCRE") maintained by the State Police; the Sex Offender and Crimes Against Minors Registry from State Police; and the Court Access Information System ("CAIS") maintained by the Virginia Supreme Court.
- D. HRM shall forward to the Parks and Recreation Department the names of all individuals who have had their background investigation completed and who are eligible for participation with a co-sponsored organization.
- E. Individuals may begin participating prior to the completion of a background investigation so long as they have completed a release and filed it with the Parks and Recreation Department. It shall be the responsibility of each co-sponsored organization, however, to prohibit an individual from participating if the individual is later found to be ineligible under this policy.
- F. Once an individual has been found eligible to participate in one co-sponsored youth activity, the individual's name shall be placed on a list of individuals eligible for all co-sponsored activities. The list shall be maintained by the Parks and Recreation Department. Individuals on the approved list shall not be subject to further investigation, except the County shall conduct random checks annually on 20% of all individuals who have previously been determined to be eligible and wish to maintain their name on the approved list.
